Why study languages 2013 calendar

The aim of this calendar is to introduce pupils to unfamiliar languages. Please note that the numbers on this calendar are cardinal numbers (one, two, three) rather than ordinal numbers (first, second, third).

You can also access the Why study languages 2013 calendar online at www.languagebox.ac.uk/3126/

This is an open website with language and cultural materials for language teachers to share and for other teachers to use and re-use.

Thank you to all those who have helped in the creation of this calendar

Lisa Bernasek, Kate Borthwick, Erika Corradini, Alison Dickens, Sandra Gadola, Laurence Georgin, Jelena Gledic, Ole Helmersen, Claire Hield, Liz Hudswell, Marta Jenkala, Krystyna Jenvey, Shewee Kidan, Helen Mesfin, Greg Toner, Ying Wang, Marie Weaver, Claire Wilkins.

To the best of our knowledge, the translations have been proof checked by native speakers.

Other acknowledgments

This calendar has been created with funding from the Routes into Languages programme. It is based on a previous design by Becky Jennings and Jackie Bailey. It was designed and printed by Indigo Press Limited.
